PROFESSIONAL SUMMARY

A Computer Science graduate with strong skills in full-stack web development and the MERN stack. Proficient in C, C++, and JavaScript, with a solid grasp of data structures and algorithms. I am a motivated and passionate problem-solver ready to contribute to challenging projects.

SKILLS

- C++ Programming	- JavaScript	- HTML,CSS	- Java (Basic)
- Python	- Visual Studio Code	- Git & GitHub	- DBMS
- Postman(API Testing)	- React.js	- Node.js	- Express.js
- MongoDB	- Software Testing	- Problem-solving	- SQL
- Data Structure and Algorithms	- Selenium WebDriver	- JIRA	- OOPs

INTERNSHIP

SKOLAR   Jan 2024 - March 2024

Full Stack Web Development Intern

- Developed responsive web applications with HTML5, CSS3, JavaScript, and React.js, focusing on user experience.
- Built scalable database solutions and back-end systems using Node.js, MongoDB, Express, and RESTful APIs.
- Implemented web application deployments on Vercel and GitHub Pages to optimize continuous integration.

PROJECTS

REAL-TIME-CRYPTOCURRENCY-TRACKER

Description: Developed a robust and scalable application for tracking cryptocurrencies that supports the display of real-time exchange rates and enhances decision-making among the users. The application focused on component - based architecture, improved maintainability and scalability, and user experience.

NEWSAPP

Description: Created a daily news platform offering category-wise updates and improved user experience with advanced features. Integrated APIs to fetch and display news efficiently. The platform's user-friendly interface enhances engagement and accessibility for all users.

ONLINE SHOP

Description: Built a full-stack e-commerce web app with Admin and User roles, enabling product management and secure purchases. Admins can add products with images, stock, and ratings, while users can browse, rate and buy using COD, Net Banking, or UPI.

EDUCATION

B.Tech, Amity University , Gwalior	2021-2025
XII(Science), S.R. DAV Public School , Bihar	2018-2020
X, Saraswati Vidya Mandir , Bihar	2016-2018

EXTRA-CURRICULAR ACTIVITIES

Participated in Amity Coding Club.	2022
100+ Question Solved in LeetCode & 50+ Question in Coding Ninja.	2022-2025
Interested in Playing Chess.
